

# Technisonic Industries Limited

240 Traders Blvd. E  
Mississauga, ON L4Z1W7 CANADA  
905-890-2113  
Fax: 905-568-8817

August 31, 2010

To: All qualified dealers and installers of Technisonic equipment:

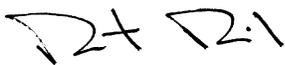

Ref: Use of Technisonic Supplemental Type Certificates (STC's)

Technisonic will provide upon request a letter of permission to authorize the installation of Technisonic equipment utilizing any of the STC's on our web site. The request must include the following information:

1. No. of STC to be used.
2. Model of Technisonic equipment to be installed.
3. Aircraft Model Number.
4. Aircraft Tailsign.
5. Aircraft serial number.
6. Contact information of Aircraft owner.

Approved Installers may use any of the STC's posted on our web site to reference against an installation performed on a Form 337.

Technisonic will be posting complete copies of its STC's on its web site [www.til.ca](http://www.til.ca). Please refer to this web site to obtain the latest STC information. Please contact the factory at 905-890-2113 or [info@til.ca](mailto:info@til.ca) to request a letter of permission.
